

Fawn View Farm is a family farm located in northern Harford County, Maryland.

We are a working farm operation, producing hay, corn, soybeans and small grains. We offer educational farm tours of our neighboring family dairy farm.

Our curriculums can be tied to many learning objectives including social studies, science, technology and mathematics.

We also have a space where you can host birthday parties and other special events.

A unique space to host your next special event!

Let us help you create a fun-filled day with a hands-on farm experience.

Learning  
Brought to  
Life

### Ag education is our passion!

Fawn View Farm's school tours are designed to be a hands-on experience for students of all ages.

## Farm Field Trips

Our educational farm tours last about 2 hours. Students will get a first-hand look at the day-to-day operation of a working dairy farm with a mix of guided tour and hands-on activity.

Agriculture education tours include:

**\$6**

PER  
PERSON\*

- Care/feeding of animals
- Milking a cow
- Hay ride
- Guided farm tour
- Overview of farm equipment
- Refreshing dairy treat

### Availability:
